

CLAIMS

What Is Claimed Is:

1 1. A combination seat-cushion and leg-warmer, comprising:
2 a top for sitting on;
3 a bottom;
4 a fastener extending along the outside perimeter of said top and bottom
5 to connect and disconnect the top from the bottom; and
6 an envelope closed at one end by said bottom and open at its other end,
7 to receive the feet, legs and lower body, up to the waist, of a user, said top attached to
8 the open end of the envelope;
9 whereby when a user prefers not to use the envelope for leg-warming,
10 the envelope is contained within the space between the top and bottom when fastened
11 together.

1 2. The combination of Claim 1 wherein said top is padded.

1 3. The combination of Claim 1 wherein said top is attached at a portion of
2 its perimeter by a strap to the open end of said envelope.

1 4. The combination of Claim 3 wherein the strap is of sufficient length to
2 allow a user to sit on the top inside the envelope.

1 5. The combination of Claim 4 wherein said the strap comprises a pouch
2 therein.

1 6. The combination of Claim 1, further comprising:

2 a carrying handle attached to the bottom.

1 7. The combination of Claim 1 wherein, further comprising:

2 A shoulder strap attached to the bottom.

1 8. The embodiment of Claim 1 wherein said envelope further comprises a

2 fastener along its length from the open end to the closed end.

1 9. The combination of Claim 1 wherein said envelope further comprises a

2 pleat along its length opposite to the attached top.

1 10. The combination of Claim 1 wherein said envelope further comprises a

2 fastener around its perimeter at the closed end to allow extending the length of the

3 envelope.

1 11. The combination of Claim 1 wherein said envelope further comprises a

2 belt attached to the open end of the envelope for cinching around the waist of the user.

1 12. The combination of Claim 1 wherein said top has an outside and in

2 inside, with a pouch formed on its inside.

1 13. The combination of Claim 1 wherein the top and the envelope are

2 made of a tear-proof, water resistant material.

1 14. The combination of Claim 1 wherein the top and the envelope are

2 made of foam or quilted material to provide a cold weather insulation.

1 15. The embodiment of Claim 1 wherein the top, bottom and envelope
2 each have four sides defining their respective perimeters.

1 16. The combination of Claim 15 wherein said top is padded.

1 17. The combination of Claim 16 wherein said top is attached at one of its
2 sides by a strap to said envelope at its open end.

1 18. The combination of Claim 17 wherein the strap is of sufficient length
2 to allow a user to sit on the top inside the envelope.

1 19. The combination of Claim 18 further comprising a carrying handle
2 attached to the bottom.

1 20. The combination of Claim 18 further comprising a shoulder strap
2 attached to the bottom.

1 21. The combination of Claim 18 wherein said envelope further comprises
2 a fastener along its length from the open end to the closed end.

1 22. The combination of Claim 21 wherein said bottom comprises a rugged
2 waterproof material.

1 23. The combination of Claim 23 wherein the top and the envelope are
2 made of a tear-proof, water resistant material.

1 24. The combination of Claim 21 wherein said bottom comprises a vinyl
2 material.
